

# SUMMER

is finally here  
and the freezing cold days of

# WINTER

are just a memory!

Because of your generous donations,  
the **WARM Program**

*(Winter Assistance for Rocky Mount)*

provided heating assistance to many low-income senior citizens and disabled persons during the winter. The WARM Program also helped some families where the head of household had been laid-off during these tough economic times.

Each summer, the city seeks to replenish the funds for the WARM Program. Please help by sending your donations now to assist a needy family next winter.

Donations are tax deductible and 100% of all contributions go toward helping a neighbor in need.

Please complete the back of this form and return it to City Hall if you would like to help.

To help people through the W.A.R.M. Program, please choose one option and return this card to City Hall.
